The sessions are inclusive and aimed at those whose disability makes it difficult for them to access mainstream leisure activities. We will accommodate your needs, as far as possible. There will be the opportunity to play tennis with qualified coaches who will adapt the sessions to suit the presenting needs and emphasise enjoyment.

There is a pathway into joining mainstream clubs, volunteering and gaining some leisure qualifications with support.

Refreshments will be available.

We hope you enjoy your session. Please give feedback to helenabbott19@gmail.com
